

SCRIP FUNDRAISING INFORMATION

Helps Reduce Your Fair Share without Selling or Costs

The Scrip Program

Scrip is a way for you to raise money for your child's choir account by using gift cards to pay for everyday purchases like clothes, food, and gas. You buy gift cards for various places and you get back a percentage into your student's account. Percentage varies by retailer. The major advantage to this program is there is no selling involved. It is just your family's everyday purchases that become your earnings.

There are 3 types of gift cards available: (not all retailers offer every option)

#1 Physical Cards

This is a physical plastic gift card. Plastic cards are ordered/shipped as a group once per month, and must be picked up from the Scrip Coordinator. Orders usually arrive within a few days. Order dates are communicated via emails from the coordinator, and are usually planned prior to events so cards can be easily picked up.

#2 Reloadable Cards

Reloadable cards are physical plastic cards that are purchased through Scrip, and have the option to be reloaded. Reloadable cards must be purchased, registered, and reloaded on the Scrip website to receive the rebate. Reload funds are available in 24-48 hours, and ReloadNow funds are available within minutes when you pay with PrestoPay.

#3 ScripNow

This is an electronic gift card called eCards that can be ordered and printed right from your ShopWithScrip account. You can use these gift cards for online purchases by copying and pasting your code at check out, or print to redeem in stores. Many retailers are able to scan the gift card right from your Smartphone.

ScripNow advantages:

- Your gift card is ready in minutes when you pay using PrestoPay.
- There is no need to pick up your order, as it is delivered electronically to you (under Dashboard in your account).
- Many retailers will scan your gift cards right from your phone.
- Gift cards can be reprinted.

Pick Up-for physical cards only

Upon arrival of the monthly order, those who have placed a physical card order will receive an email or text to work out a day and time for pick up. Orders are picked up from the Scrip Coordinator's house (8346 Lunsford Lane, Fishers.), or parent meetings, concerts, competitions, and other choir events. Please do not go to the coordinators door unless arrangements have been made.
